

# Saturn Enterprises, Inc.

## CAPABILITY STATEMENT

BBVA Bancomer  
(Mexico City)

Saturn Enterprises, Inc. is a Texas based woman owned small business (WOSB and EDWOSB) that has served diverse global markets since 1994.

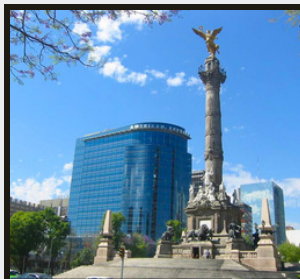

Saturn represents a broad range of products and specializes in high efficiency heating, ventilating, and air conditioning for industrial and commercial facilities. At Saturn, we understand the complex issues surrounding a building's mechanical design and are committed to providing the highest-grade products offered in the industry.

We know a timely response and quick turnaround is mission-critical in meeting your goals and objectives. Utilizing the efficiencies of our supply chain relationships, coupled with our proven past performance, we deliver results rapidly and responsibly.

### Past Performances

*We have provided equipment to hundreds of satisfied customers for 30+ years. Customers include commercial, industrial, health care and educational facilities.*

- **Hospital Puntarenas Costa Rica** – Saturn provided equipment and worked with engineers on this innovative \$225M hospital that will cover 72,132 sq. meters when complete.
- **Otis Air Cayman Islands** – Saturn has supplied many caribbean companies with equipment including modern architectural custom-made designs and anti-rust stainless steel products needed for island and coastal cities.
- **Hospital Alajuela Costa Rica** – Ecoaire, who provided engineering on this large-scale project has been a primary customer for Saturn for many years. Saturn has provided heating, ventilating, and other equipment for this Costa Rican company on several large projects including this hospital.
- **Reforma 350 Mexico City** - Saturn supplied equipment for this American Express headquarters. This project included high performance fan-powered VAVs and controls.
- **BBVA Bancomer Mexico City** - Fire and smoke dampers for this 235m/52-story high rise bank building

American Express Building  
(Mexico City)
