

## CAPABILITY STATEMENT

BBVA Bancomer (Mexico City)

Saturn Enterprises, Inc., a Texas-based woman-owned small business (WOSB and EDWOSB), was established in 1994 with the mission to serve diverse global markets in Latin America. We are delighted to announce our expansion into both the domestic market and federal government sectors.

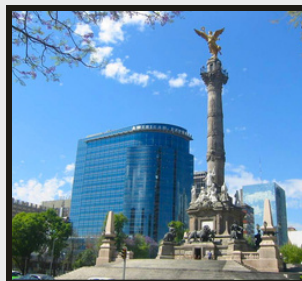

Saturn specializes in innovative solutions for industrial and commercial buildings, including building automation, efficient HVAC systems, and more. We offer comprehensive support from start to completion, regardless of project size. Our services encompass product procurement and supplementary offerings such as waste management and janitorial services. Committed to excellence, we ensure the seamless integration of top-quality products and services. Our team collaborates closely with clients to guarantee smooth project execution.

### Past Performance

*We have served thousands of satisfied customers for 30 years. Customers include commercial, industrial, healthcare and educational facilities.*

- **Reforma 350 Mexico** - The American Express headquarters in Mexico City features cutting-edge building automation solutions provided by Saturn, including high-performance fan-powered VAVs and controls.
- **Hospital Puntarenas Costa Rica** - This expansive 72,132 square meter hospital stands as a testament to our collaborative success. Saturn's partnership with engineers for the \$225M project exemplifies a commitment to groundbreaking healthcare solutions.
- **Otis Air Cayman Islands** - Saturn has provided solutions for many Caribbean firms, such as Otis Air, including custom-made architectural designs and anti-rust stainless steel products needed for islands and coastal cities.
- **BBVA Bancomer Mexico** - Partnering with design engineers, Saturn provided fire and smoke damper systems for the 235m/52-story high-rise bank building as part of the comprehensive building solutions for this project.
